

RumRunners - Las Vegas, Nevada

The Las Vegas-based RumRunners band fill the dance floor with sounds of Rock, Blues/Soul and originals. With a library of more than three hundred carefully arranged and tightly rehearsed songs, any given night includes selections by bands as diverse as The Allman Brothers (Whipping Post), The Knack (My Sharona), Chicago (25 or 6 to 4), Soul Survivors (Expressway to Your Heart), Santana (Black Magic Woman), and Blue Oyster Cult (Godzilla). **See reverse for recent set lists.**

RumRunners have played some of the most popular bars and casinos in Las Vegas, including The Sand Dollar Lounge, Tiki di Amore, East Side Cannery Casino, and El Cortez Casino and venues in Lake Havasu, AZ and Searchlight, NV. They were inducted into the Las Vegas Blues Hall of Fame by Rita King (B.B.'s daughter) in 2019.

Hailing from Chicago, New York and Indiana, RumRunners joined forces in Las Vegas and haven't looked back. Incredible vocals and harmonies, scorching guitar, and a solid rhythm section guarantee a great time. Your RumRunners are:

Wayne Ivey: Lead Vocals/Guitar

Tony Grassano: Lead Guitar

Tom Rice: Bass Guitar/Vocals

Scott Hirtenstein: Drums/Vocals

You know the RumRunners are on stage before they play with 1920's style fedoras, suits & ties and two-tone shoes (like bootlegging "rum runners"). Your RumRunners are experienced, professional and will keep your audience very entertained.

Book them for your venue or next event:
